Perhaps I missed it, but is the second in the series of Digital Scrapbooking classes, "Now We're Rockin" no longer being offered?

As far as I know, I don't believe it's available. Jessica updated Up & Running, but the others haven't been updated yet. I sent an email to Sonya to double-check. :)

Now We're Rockin' is not available for sale, but the plan is to update and offer it with the new, upgraded site. I hope that helps! :)
