Ok, I think for September Crystal has really outdone herself. Not only are the patterns and colors in this month's collection amazing, but her September collection has 48 papers in it! Yeah!

Here's a peek at the gorgeousness:

This entire paper pack is \$12.99. Yeah. I think I can hear you squealing from over here. :) [Go check it out](#)

.

And how about some awesome word art? Here's an entire collection of fall-themed quotations, set in beautiful type. What more can you want for titles and accents?
