The banner features a teal background with a decorative white frame containing the text "One Buck Wednesday". Below this, the text "Items for \$1 or 50% off" is displayed in large white letters. Three product images are shown: a patterned paper pack from "Apothecary", a Halloween-themed scrapbook page from "Happy Halloween", and a collection of black and white stickers from "Studio". The phrase "make something amazing" is written in white at the bottom right. The bottom left corner has the text "life recorded" and a small piece of torn paper is visible on the right side.
