

Awesome Saving Skills!

Written by Tori Johnson

Wednesday, 04 September 2013 00:00

Have you ever gone to the grocery store and purchased items on sale and/or using a coupon and when you get the receipt it shows how much you save? Do you get all excited to see that number, to see how well you did? Well, pretend like you're getting that receipt from us. If you purchase everything that is on sale today,* guess what that magical "You saved \$..." would be? Ready for it? You'd better sit down. You would save \$110 today! That's over 50%! Awesome, huh? Yeah, that's right. You can do awesome with your shopping saving skills.

[Now go enjoy your new digi goods.](#) :)

*Sale ends midnight PST
