Just a quick note to let you know that *together*, we raised **\$6816.00** for Autism Speaks through [Songbird Avenue](#)

's May kit.

Thank you

for your generosity in purchasing a kit for a cause, and thank you to Jan and Ali for inspiring us all to greater awareness. It feels

good

to know we've done

good

.

The donations have already been posted to Autism Speaks, and you can check out [Ali's blog post](#) here, and [J](#)

here. And once again,

thank you

. It's a privilege to be part of a community of giving.
